

REFERRAL PACKAGE for Probation Officers

Waypoint is a unique four-month full-time addiction treatment program located in Surrey, BC for male youth aged 12 to 18. Referrals to the program are accepted from probation officers within the province of British Columbia. For a probation referral, the young man must have a probation order that directs him to attend a full-time alcohol and drug treatment program. The probation order must be long enough to see him through four months of treatment.

Program participants reside in one of our PLEA Family Care Homes. Our program combines residential care with an intensive day program planned around each youth's needs, including detoxification, individual and group counseling, parent-teen mediation, ongoing assessment, teacher supervised education and social, cultural and recreational activities.

Our goals are to decrease substance use, criminal activity and high risk behaviour in a setting designed to meet each participant's social, emotional, physical, academic and recreational needs.

Referral Procedure

1. Contact **604 585 9195** to request a referral package or download a referral package at www.plea.ca
2. Fax the completed referral information to **604 585 7976**. A completed referral includes the following:
 - ☐ RAP referral form (5 pages)
 - ☐ Waypoint Program referral form (4 pages)
 - ☐ PDR and current probation order
 - ☐ Any other previous assessments
 - ☐ If the client is on methadone, a letter from a doctor confirming that he has stabilized on methadone.
3. A screening committee meets monthly and will review the information to determine the eligibility and placement priority of the referred youth.
4. PLEA will notify the referring agent of the expected placement date.

Please review the "What to Expect/What to Bring to Treatment" handout with your client before submitting the referral to ensure that the young person is fully informed of the program components and expectations.

The information collected on this form is collected under the authority of Freedom of Information and Protection of Privacy Act and will be used for the purposes of administering the Youth Criminal Justice Act and the Youth Justice Act. Collected information will be used and disclosed in compliance with the Freedom of Information and Protection of Privacy Act. Any questions about the collection, use or disclosure of the information should be directed to the Youth Justice Program Support Branch, (250) 387-0978, PO Box 9717, Stn Prov Govt, Victoria, B.C. V8W 9S1.

NAME	AGENCY/RELATIONSHIP	PHONE	FAX

PLEASE RATE YOUR CLIENT'S WILLINGNESS TO ATTEND OUR PROGRAM:

TOTALLY RESISTANT RESISTANT INDIFFERENT WILLING VERY WILLING

PLEASE NOTE THE FOLLOWING:

- Program participation may involve activities off the premises. It is understood that this program includes sports activities, where the risk of injury is always present. It is further understood that reasonable care and precautions for safety will be maintained at all times.

What to Expect at Waypoint

- The youth's belongings will be searched at intake and after each outing where they are unsupervised or without a professional. Random room searches, drug testing and/or police dog searches may also occur at any time.
- Youth begin the program in the detox phase for a maximum of ten days. During this time, youth will have a sound monitor in their room and their Family Caregiver will perform regular checks – including through the night – to ensure that the youth is safe.
- Youth will be in a stabilization period for their first ten days. Youth are only able to have brief visits with approved family members at their PLEA home during this stabilization period. After this time, if the youth is stable and participating well in the program, youth are able to visit with or phone individuals that have been approved by their Probation Officer, Guardian and Social Worker (when applicable).
- Youth may earn unsupervised time after 30 days in the program if they are following all of the program guidelines.
- Youth may be eligible for home visits after 45 days in the program if they are following all of the program guidelines.

What to Bring to Treatment

Youth are encouraged to bring those items that will make their stay more comfortable. Waypoint is not responsible for lost items and discourages borrowing amongst the youth.

All youth will have their own room and will be provided with bed sheets, comforter, pillow, a dresser, a closet, a lamp and an alarm clock. Youth will also be provided with the necessary items for school and hygiene products. Personal hygiene items such as razors, cologne, shaving crème, and hair products will be stored in a locked cabinet, where Family Caregivers can permit access when appropriate. Bank cards and ID will also be stored in a locked location, but youth may access when necessary.

Youth must bring any medications/prescriptions currently being administered. All medications, including vitamins and over-the-counter medication/herbal remedies, must be specifically approved and verified on intake by a medical professional if taken by a youth in the Waypoint Program. We are not able to accept any medications or supplements that are not properly labeled.

Suggested items to pack:

- ✓ Comfortable clothes appropriate for school
- ✓ Clothes to exercise in (sweat pants, shorts, running shoes, bathing suit)
- ✓ Books to read
- ✓ Appropriate music (Note that youth will not have access to a CD player or MP3 player. If they wish to listen to music at the Family Caregiver's home they should bring their own MP3 player. However, MP3 players are prohibited at the centre.)
- ✓ Long distance phone cards for non-local youth
- ✓ All medications currently being administered
- ✓ Cigarettes (Family Caregivers and staff are unable to purchase cigarettes for youth. If you smoke, please make sure you make your own arrangements to get cigarettes)
- **Please note that e-cigarettes, vaporizers, and smoking cessation products are not permitted while attending treatment**

Items **not** permitted:

- ✓ Cellular phones, smart phones and pagers
- ✓ Handheld devices with internet access (e.g., iPod Touch; PSP; Nintendo DS)
- ✓ Drugs or drug paraphernalia (including pipes, rolling papers, etc.)
- ✓ Inappropriate music (contains offensive messages or glorifies drug use)
- ✓ T-shirts, posters or other items that contain offensive messages or glorify drug use
- ✓ Creatine, protein powder or other supplements
- ✓ E-cigarettes, vaporizers, and other smoking cessation products (e.g., nicotine gum, patch, inhalers)

School	Life Skills Sessions
One-to-One Outings	12 Step Meetings

A Day at Waypoint...

Although each day in treatment is a little different, this should give you an idea of what a day at Waypoint is like.

The Family Caregiver that you live with will bring you to the centre at 8:50am most days during the week. First, you do a check-in as a group to discuss any issues that may prevent you from having a good day. After check-in, you spend the morning in school at the centre. You will be working at your own pace and the teacher is available to help you. After school, you will break for lunch, and then in the afternoon you will have a group session that relates to a specific theme. Each week is a different theme, such as life skills, anger management, communication, stress management, relationship building or decision making. You will participate in different activities like resume writing, budgeting, and creative artwork to develop the theme of the week. We also have drug awareness sessions that teach you about the effects of various drugs on your body. You will also set weekly goals for yourself, do chores around the centre, and participate in recreation sessions.

After your day at the centre ends, usually around 2 or 3 pm, you will return to your Family Caregiver's home. Aside from regular family activities you do with your caregiver, you will also spend time with your one-to-one worker, and counsellor doing recreational activities (swimming, working out at the gym, shopping), individual counselling, or working on treatment journals and workbooks. In the evening, you may also attend a 12 Step Meeting with your caregiver. On top of all of this, we have group outings such as going to the movies, water slides, rock climbing, aquarium, or laser tag.

Please feel free to ask your Probation Officer if you need more information, or you can call us at 604 585 9195.

A Week at Waypoint

Monday, October 1

Drop off: 8:50 AM

Pick up: 2:00 PM

9:00 Check-in
